

Privacy Assurance – Pro Coaching Services

All information you provide will be kept in strictest confidence and will not be shared with any other party.

You can be assured that the information you provide is only used to benefit YOU alone in the coaching relationship.

Your coach holds all information in a secure electronic or hard copy format; anything not used for your direct benefit in the coaching forum is shredded or disposed of electronically.

Your coach will contact a third party regarding your private affairs only if he/she believes this will protect you or another person directly from deadly harm.
